Client Base and Qualifications

HDHM Ministry

Due to geographical boundaries, a reasonable set of parameters has been established by the HDHM Board as to the areas we cover as time permits. These towns in lower CT and the greater Danbury area are Brookfield, Bethel, Bridgewater, Danbury, New Milford, Newtown, and New Fairfield CT.

Our clients are primarily Senior Citizens, Handicapped, Widowed, Divorced, Single Parent, Sick, and Unemployed. Generally speaking those who for whatever reason are just down on their luck and need a helping hand in some material or spiritual form.

Due to the overwhelming requests, there are times that we have to forego helping a client due to other more pressing priority customers waiting for our assistance, or perhaps the job at hand is beyond our technical ability to complete satisfactorily. We never take on a job we can not technically perform.

There is never a charge for our services, although there are some clients who willingly make a donation to the Ministry.
